11 v.

12 Unknown Jeans,

13 Defendant.  
14

No. CV-19-01972-PHX-SMB (CDB)

**ORDER**

15  
16 At issue is the Report and Recommendation (Doc. 27) (“R&R”) entered by United  
17 States Magistrate Judge Camille D. Bibles in this matter recommending the Court deny  
18 Plaintiff’s Motion (Doc. 25) seeking leave to file his fourth amended complaint. Petitioner  
19 was warned in the R&R that he had 14 days from its entry on April 29, 2020, in which to  
20 file any objections thereto. (Doc. 27 at 21-22.) That deadline passed on May 13, 2020 and  
21 Petitioner has filed no objections. The Court may therefore accept the R&R without further  
22 review. *United States v. Tapia-Reyna*, 328 F.3d 1114, 1121 (9th Cir. 2003). And it does  
23 so.

24 The Court nonetheless also has conducted a substantive review of the Petition and  
25 the supporting filings, and thereafter concludes that Judge Bible’s R&R, and all of its  
26 reasoning, is correct.

1           **IT IS ORDERED** adopting in whole Judge Bible's R&R (Doc. 27) and denying  
2 Plaintiff's Motion (Doc. 25).

3           Dated this 19th day of June, 2020.
